David Maslanka  
(b. 1943)

I. There is a desert on the moon where the dreamer sinks so deeply into the ground that she reaches hell.  
II. A drunken woman falls in the water and comes out renewed and sober.  
III. A horde of small animals frightens the dreamer.  
The animals increase to a tremendous size, and one of them devours the little girl.  
IV. A drop of water is seen as it appears when looked through a microscope.  
The girl sees that the drop is full of tree branches.  
This portrays the origin of the world.  
V. An Ascent into heaven where pagan dances are being celebrated;  
and an descent into hell, where angels are doing good deeds.
