George Bryant  
Station Manager  
WGUC-FM 90.0  
University of Cincinnati

Dear Mr. Bryant:

Thank you for your letter which I found awaiting my return to the campus.

I would be willing to provide the brief statement you requested if we can agree on the theme. If I understand the idea properly, NPR wants an Ohio Program, and some comments regarding Ohio contributions to American technology would be most appropriate.

What is the format? And how short is a brief statement?

Sincerely,

Neil A. Armstrong  
Professor of  
Aerospace Engineering
