The annual reunion of the University of Cincinnati College of Engineering alumni will be held at 5:30 p.m. Wednesday, March 29, in Great Hall, Tangeman University Center. Dean Cornelius Wandmacher will be host for the event.

Guests of honor at the banquet and award ceremonies will be UC President Warren Bennis; Dr. Andrew Breidenbach, director of the National Environmental Resources Center; and UC Prof. Neil A. Armstrong.

The program includes presentation of the Distinguished Alumnus Awards for 1972 to seven of the college's alumni. The first Herman Schneider Medal will be given to an outstanding senior selected by a special faculty-student committee.
