FILE

Dear Neil,

I just wanted to express my thanks for your tremendous cooperation in connection with the recent news conference, and its spinoffs.

We have had nothing but positive feedback. You did the news media and the University a great service.

It was a pleasure to work with you, and I hope to have other opportunities to do so in the future.

Sincerely,

A handwritten signature in cursive script that reads "Al Kuettner".

Al Kuettner.

Prof. Neil Armstrong
