

## CCM WIND ORCHESTRA

The CCM Wind Orchestra is comprised of highly advanced performers of wind and percussion instruments, and is internationally recognized as one of the finest groups of its kind. Each semester the players are auditioned and assigned parts on a rotating basis. Following a philosophy of one player per part and adopting flexible instrumentation according to the composer's intentions, the ensemble performs chamber music, selected transcriptions, concerti and original full ensemble repertoire spanning five centuries. The CCM Wind Orchestra performs six concerts on campus per season as well as appearing regularly in local school concerts and as special guest artists for conferences, festivals and special events.
