Dear Dr. Sabin:

I am pleased to forward your ticket for your forthcoming flight to New York and Israel April 20.

I have requested the Ambassador's Club Card, but since it does take quite some time to attain one, it will be impossible to get this card in time for your departure. TWA will mail directly to you a letter introducing you to the Ambassador Club in New York on the occasion of your forthcoming trip.

Trusting that for the time being this will suffice, and thanking you for your kind patronage, I am

Yours very truly,

THOS. COOK & SON
