Dear Howard,

The pleasure of seeing ^{*and hearing*} you last week was an extra dividend of my participation in the AFL-CIO conference. You may be interested to know that because of various problems with the flights to Charleston, it took me seven hours to get from Washington to Charleston.

In accord with your request, I am sending you herewith a copy of the paper I presented at the meeting.

Best wishes.

Sincerely,

Albert B. Sabin, M. D.
