Dear Dr. Rachmilewitz:

In reply to your kind letter of 26 March I should like to say that I am very much looking forward to a visit to Israel in 1959. On March 24th I wrote to Dr. Natan Goldblum explaining why it was impossible for me to come in June but indicated at the same time that the period of August 23rd to September 4th would be most convenient for me. I have to be in Munich on September 6 to 9 to participate in the meeting of the European Association against Poliomyelitis.

I should be very glad indeed to deliver a lecture at the Medical School in Jerusalem.

With best wishes and kindest regards.

Sincerely yours,

Albert B. Sabin, M. D.
