AIR MAIL

Dr. Albert Sabin
Children's Hospital Research
Foundation
Cincinnati 29, Ohio

Dear Albert:

After your telephone call Joe Bell called me back and said the meeting at Cincinnati had been changed to March 6. I talked to Lee Burney by telephone and he suggested that Dr. Carl Neupert, State Health Officer for the State of Wisconsin, who is to be the next president of the State and Territorial Health Officers Association, might very well be the one to represent that association.

In talking to Dr. Neupert, he will be able to be present at the March 14th meeting but cannot be at the meeting of yours in Cincinnati. He told me over the telephone that Dr. Burney had agreed to be present at your meeting and help develop the statement. Dr. Burney will keep Dr. Neupert advised as to the results of your meeting so that he will be familiar with it when he comes to the March 14th meeting.

I hope this works out satisfactorily.

Regards.

Sincerely,

Norman Topping
Associate Director
National Institutes of Health
