Dear Dr. Sabin:

In a note written from Europe, Dr. Bunde asked me to reserve accommodations for you, starting one day prior to the American Society of Tropical Medicine and Hygiene meetings.

As I presume you will be arriving sometime the night of October 26, I have had the reservation made for the period October 26 to 31. This is, of course, being charged to Pitman-Moore Company. The reservation card is enclosed for your convenience when registering at the hotel.

Sincerely,

Patricia L. Weidman

(Mrs.) Patricia L. Weidman
Secretary to Dr. Bunde

P.S. Pay no attention to the "duplicate - change in accommodations" notation. When I first requested the reservation, the hotel sent me a confirmation card which was made out wrong. The enclosed is the correct reservation.
