Dear Sir,

I was very pleased to hear that you have received my letter of April 19 and are satisfied with the letters of recommendation. It is a great honour for me to come to work with you as a Research fellow and I hope you will be satisfied with my work.

Dr. Shank, the Adviser to Foreign Students, has sent me the necessary papers to enable me to obtain my visa. I have booked my passage on a ship leaving Genova on the 9th August. Probably I shall arrive about the 20th. I shall let you know the definite date as soon as possible.

Thanking you once again for your kindness,

Yours sincerely

Hans Joachim Eggers
