Dr. Albert B. Sabin  
The Children's Hospital Research  
Foundation  
Elland Avenue and Bethesda  
Cincinnati, Ohio 45229

Dear Dr. Sabin:

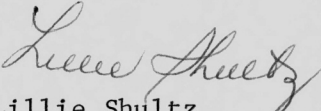

From time to time we are called upon for biographical data concerning members of the Board of Governors.

It is embarrassing not to be in a position to provide updated information.

It would be very helpful if we might receive from you such biographical material as you would be willing to have used as needed.

With appreciation,

Cordially,

  
Lillie Shultz
