Gentlemen:

Doctor Robert Ward is associated with me in work on Virus Diseases of the Nervous System. I am now on official duty with the War Department in the capacity of Consultant to the Secretary of War on Epidemic Diseases and my laboratory and staff constitute one of the centers in which work of the Army Commission on Virus Diseases of the Nervous System is to be carried out. This letter is to certify that the services of Dr. Robert Ward are required for the best function of this Army Commission.

Very truly yours,

Albert B. Sabin, M.D.
