Dear Mr. White:

For several days now I have had a copy of your letter, dated December 24, 1954, addressed to Mr. George E. Buescher, in which you indicated that you were sending him check No. 1198 in the amount of \$132,260.00 to activate Grant No. CVRE 139. The letter was addressed to Mr. Buescher at the University of Cincinnati where he is not listed because he is the Financial Officer of the Children's Hospital without any University affiliation. It should have been addressed to him at the Children's Hospital Research Foundation. A thorough search at the post office of the University of Cincinnati has failed to turn up this letter and it is possible that it might have been marked "Return to sender, not known at this address". I am writing you at this time to let you know that the letter with the check has not been received and that its present whereabouts are unknown.

Sincerely yours,

Albert B. Sabin, M.D.
