17th January, 1961.

Dr. A.B. Sabin,
The Children's Hospital Research Foundation,
Elland & Bethesda Avenues,
Cincinnati 29,
Ohio.

Dear Albert,

I have just realized that in my letter to you of 12th January I said 30 million doses when I meant, of course, 30 thousand. I hope you interpreted it correctly and that you were not too alarmed at the prospect!

With best wishes,

Yours sincerely,

A handwritten signature in dark ink, appearing to read "P. B. Stones", written in a cursive style.

P. B. Stones.
