P.O.B. 1172
Jerusalem, Israel

Dear Natan:

We were delighted to learn of Ted Chanock's contribution and wish the new Virus Department a great future. We hope that the status of a separate department is now assured with Chanock's gift as a nucleus. We would like to make a personal contribution of \$1,000. and hope that the department will come into existence in the near future.

Best regards,

Sincerely yours,

Joseph L. Melnick
