

May 24, 1952

Dr. C. H. Andrewes
National Institute for Medical Research
The Ridgeway, Mill Hill
London, N. W. 7, England

Dear Doctor Andrewes:

Dr. Walter Hennessen has written to me about the possibility of his working with me after September, 1952. I told him that I should be glad to have him if he could obtain a suitable fellowship. I would greatly appreciate it if you could write me your impressions of the man and his work.

Sincerely yours,

ABS/maj

Albert B. Sabin, M. D.
