Members of the Overseas Advisory Committee,  
Tel Aviv University Medical School: 

Dr. Gitter, Dean of the Tel Aviv University Medical School, will be visiting this country in November. He has asked me to arrange for a meeting of the Overseas Advisory Committee during the week of November 24th. I will let you know the exact date (including the luncheon) as soon as definite plans are made.

I do hope that we can come up with some very concrete suggestions for the school at this meeting.

Sincerely yours,

*Philip Cooper*
