Dear Doctor Sabin:

I wish to extend to you an invitation to attend a meeting of the General Advisory Committee and the Committee on Epidemics and Public Health of the National Foundation to be held in Chicago, Illinois, on March 14th, 15th, and 16th.

These committees will consider the part to be played by the National Foundation during epidemics. Both the epidemiological and medical care aspects will be discussed. Because of your experience in this field we would like the benefit of your presence. Your expenses will be paid by the Foundation.

Kindly advise me at once if you can be present. The exact time and place of the meetings will be sent to you at a later date.

Sincerely yours,
