

Milwaukee Wis, July 19th 1914
Dear Friend Mac.

Yours under date of 7th inst.
to hand. We were more than
pleased to hear from you, ^{and} learn
that both of you are well.

Such prompt reply with enclosed
programs was highly appreciated
^{and} very kind of you indeed also very
thoughtful. Therefore it would be
wrong for me, not to be as prompt
in writing to you as I was in the
past. Best part of it was; I wrote
two letters same time one to you
one to Billy ^{and} yours came
one day ahead of his, it was
such a surprise we couldn't
get over it.

Here is some news, he says they
all well with exception of old
Jack from Niagara Falls. is ^{and} has
been very sick ^{mean}.

and unless paroled in near future or at some early date he might be carried out, he should bin in hospital ever since he is there.

same can be said of Henry Leg — he is also a sick man. Eugene might be transferred to your place if such hadn't took place already. It would be much nicer for him to be near his own folks, and closer to home. Micky from #13th Pennell are out and at home.

You ask if I am going to Peoria, no I got trimmed this time, will be obliged to stay home it was by close margin but as you know close dont count. I lost out to State Fed. meet also it was held this month, I quest they thought I was going to much, 3 times last year was more than some could digest. as you know there are upsnd downs in political game. I should like to went to Peoria? it will be important meet. as to meeting some of your visitors I should like tond I never forget to inquire when opportunity warant. I met some when I was out west.

Do you get suply of reading matter, no doubts magazine regulary It all thato nice, that boys from Frisco Locals come to see you. Are you doing same work, all the time or were you promoted to differnt kind of work. I think that was very nice of the Board of Directors to have such programs arrangednd no doubt it was appreciatednd they were complimented for same by all concern I recollect reading about it in Local Press. Say that aint you on that stage doing stunt

At 966 Heil St. always same
old stand ^{as} will be unless I dis-
pose of it.

I think I'll close for this
time I must be going to work
Hoping this will find
