Dear Albert:

Your letter of the 11th received while I was out of town, and I notice from your letter that you will be in Peru by this time. We are glad that you enjoyed the sweets.

Frankly, we have no definite plans about attending the Board of Governors meeting in Israel at the moment, although we are hopeful of doing so.

There has been an unexpected development in the Cable Television business that has required my putting more time in with Ted Jr., and it is not beyond possibility that I may have to forego the trip, but until I know definitely I would rather leave the matter open.

I hope that your trip to South America was pleasant, and we await to hear the details.

With kindest regards,

Sincerely yours,

T. Chanock
