Dear Dr. Sabin:

Re: Austria

Following your telephone call and your letter of February 25, I cabled the Company in Vienna. A copy of my cable and of the letter I just received in reply are enclosed. I know you will want to give careful consideration to all the factors potentially involved in proceeding further immediately, such as notifying the Argentine government that the vaccine production by this Company is unauthorized.

You are in a much better position than I am to weigh these factors in light of the statement in the letter that Dr. Eibl is coming to the U. S. this month to discuss the situation.

Why don't you call me on the telephone?

Sincerely,

ARTHUR D. CONDON
