Dear Dr. Sabin,

It has been brought to my knowledge that you will be shortly touring this part of the world, and I take, therefore this opportunity to extend to you an invitation to visit our country as well. We would highly welcome the opportunity to discuss with you some of our problems as well as to show you Israel.

I do hope that you can include in your itinerary a few days for Israel and look forward to the pleasure of welcoming you amongst us. If you decide to accept our invitation, please let us know in advance so that we can secure hotel accomodation.

Yours sincerely,

Dr. S. Btsh
Director-General
