Dear Albert:

I am not competent to evaluate the two manuscripts submitted for publication in the Archiv fur die Gesamte Virusforschung by Joseph W. St. Geme et al. on the "Disruption of virus biosynthesis in vitro with 6-mercaptopurine." The carbon copies are sent to you with this letter and the kind invitation to mail your appraisal directly to Professor Hallauer.

I trust everything is going well.

With best wishes,

Sincerely,

A handwritten signature in black ink, appearing to read "K. F. Meyer".
