**Dr. Arnold B. Kurlander
Assistant Surgeon General
Public Health Service
U. S. Department of Health, Education
and Welfare
Washington 25, D. C.**

Dear Arnold:

Enclosed herewith are copies of correspondence and reports that I have just sent off to Dr. Murray. I hope very much that a decision on this question can be reached by the Public Health Service as soon as possible.

I am leaving for Japan on September 14 and will not be back in Cincinnati until October 10.

With best wishes and kindest personal regards.

Sincerely yours,

Albert B. Sabin, M. D.
