Dr. Albert B. Sabin
Children's Hospital Research Foundation
Elland Avenue and Bethesda
Cincinnati, Ohio.

Dear Albert:

Dr. Bronfenbrenner and I think it would be worthwhile to retest the monkey sera you sent us in order to confirm the previous finding and also think that another known negative monkey serum could well be included. If you do not have one that you could spare very easily, we should appreciate your suggesting someone who might have some that we could use.

With thanks, I am

Sincerely yours,

Carl
