Dear Doctor Sabin:

Thank you for your subscription to THE JOURNAL
A.M.A. A current issue of this publication is
being mailed.

In going over your account we note there is a small
charge against you which you have evidently over-
looked. This is for copies of THE JOURNAL A.M.A.
which were sent to you from January-1934 to June-
1934.

If this does not agree with your records, please
write us at once so that we may come to a satis-
factory understanding. On the contrary, we will
appreciate receiving your check to cover your prior
indebtedness as well as the new order.

Very truly yours,
AMERICAN MEDICAL ASSOCIATION
