Dear Albert:

Dr. Trask tells me that he has accepted your kind invitation to join in the Round Table on Poliomyelitis which will take place in St. Louis on December 27th. If possible I shall be there too for I am anxious to profit from the discussion of the very interesting subjects you have outlined. Unfortunately, St. Louis is a long, long way and so I cannot make definite plans at the moment.

Sincerely yours,

John R. Paul M.D.
