

Dr G. BARSKI

Chargé de Recherches
au C.N.R.S.

Hôpital St Antoine
Paris 12^e

Paris July 14th 1957

Dear Dr Sabin,

It was nice to meet you again on our old continent and especially in this charming city of Geneva.

The Conference was perhaps some bit too big and too rigid but nevertheless useful and stimulating.

I followed as good as I could your suggestions in improving my manuscript which I am sending you herewith. I hope it will be all right now!

With my best wishes and thanks for your kindness and help.

Yours sincerely

G. Barski.
