Hotel Pennsylvania  
Union Station Plaza  
Washington 13, D. C.

Dear Dr. Siegel:

I shall be very glad indeed to have you visit us in Cincinnati. During the first week of September, I expect to be in Washington on September 3 and 4. Accordingly, I would be pleased to have you come at any time after September 4.

With all good wishes,

Sincerely yours,

ABS/maj

Albert B. Sabin, M. D.

P. S. Please let me know if we can be of any help in finding a place for you to stay in Cincinnati and the type of facility that you would wish to have. There is an apartment hotel, the Vernon Manor, a very short distance from the laboratory in which rooms might be available for \$5.00 a day, but reservations have to be made long in advance. There are also rooms available in private homes directly across the street or very near to the laboratory for considerably less. Please indicate expected time of arrival and duration of stay.
