Dr. Paul Tournier  
I. R. S. C.  
B. P. No. 8  
Villejuif (Seine), France

Dear Dr. Tournier:

I have your memorandum of 14 December addressed to the members of the P. C. N. V. I regret that the pressure of many other activities makes it difficult for me to continue as a member of this group and I would, therefore, like to offer my resignation. Incidentally, I would find it impossible to be present at the proposed Paris meeting either on February 26-27 or June 25-26.

With all good wishes and kindest personal regards.

Sincerely yours,

Albert B. Sabin, M. D.
