Brig. Gen. S. Bayne-Jones,
Preventive Medicine Service,
Office of the Surgeon General,
U.S. Army,
1818 H Street, N.W.,
Washington, D.C.

Dear General Bayne-Jones:

The additional information regarding my residence telephone is that approximately 7/10 of a mile of pole line will be required in order to bring the telephone up to the house.

The enclosed copy of a letter from the New Jersey Telephone Company may be helpful.

Sincerely yours,

Albert B. Sabin,
Major, M.C.
