Dr. Albert B. Sabin  
Children's Hospital  
Cincinnati, Ohio

Dear Albert:

I am inclosing copies of letters of this date to the President of the National Foundation for Infantile Paralysis and to Dr. Rivers.

I regret that the repeated discussions of the past twelve months have not led to a better understanding between us of what our respective roles might be in the proposed demonstrations in Latin America.

With kindest personal regards, I remain

Very sincerely yours,

*Fred L. Soper*
