

May 8, 1939.

Dear Doctor Sashin:

I wish to thank you very much for your letter. In response to it I am sending you, under another cover, whatever reprints are available at the present time on the subject on which I spoke last Thursday night. They merely indicate the development of the subject, however, and contain little of the material I gave at the talk.

Sincerely yours,

Albert B. Sabin

Doctor David Sashin,
25 West 81st Street,
New York City, N. Y.
