Dear Dr. Sabin,

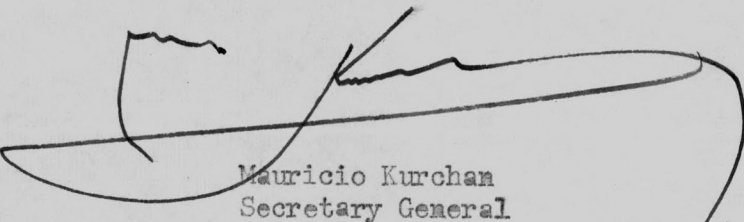

We gladly inform you that Dr. Mauricio Baron, a member of the Advisory Council of our Institute and Director of the "Guemes Sanatory" of Buenos Aires, whom you surely remember from your recent stay in Argentina, is leaving for the States soon.

While going to your country Dr. Baron has kindly agreed to take with him a golden plaque sent as a gift for you by the Argentine National Commission for Rehabilitation of Cripples. It was intended to be delivered personally when you were here, but the meeting had to be cancelled afterwards. Dr. Baron will ask the American Jewish Committee in New York to forward this plaque to you in Cincinnati.

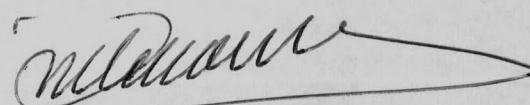

We will be grateful if you acknowledges receipt of it once it reaches your hands to be sure that the request of the above mentioned National Commission has been fulfilled.

Hoping to find you and Mrs. Sabin well in every sense, and with best wishes for a happy Jewish New Year, we remain

yours sincerely,

Mauricio Kurchan
Secretary General
