Dear Albert and Heloesa:

It was so good to receive your nice letter of Feb 20th to Margot. Of special import was the abvcess good news of your recovery and improving health. They just can't keep a good man down. The envelope you refer to in Margot's letter was not enclosed. If you still have it would like have it for the family. Hope you both can make it down to Charleston you are missed but loved by all. Would love to see you before, during or after Spalto. Accept my very best wishes and warmest respects.

Affectionately,
Ted
