Dear Dr. Sabin:

May we please have your assistance in reviewing the enclosed manuscript

THE INCIDENCE OF INFECTION AMONG CONTACTS OF  
POLIOMYELITIS CASES

By

Horstmann, McCollum, and Mascola

Your confidential judgment of the paper's suitability for publication in the Journal should be set forth in a covering letter to me.

Specific criticisms, which we may forward to the author, should be written in triplicate, unsigned, on the separate pages attached for the purpose.

It would greatly facilitate processing if we could have the manuscript back with your comments by June 27, if possible.

Your help will be greatly appreciated.

Sincerely yours,

*Stanley E. Bradley*
