IL DIRETTORE

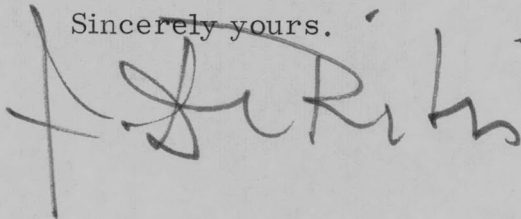

Napoli, li 1/2/67

Dear Dr. Sabin,

I would like to tell you how greatly I have appreciated my stay in Cincinnati and your kind, warm hospitality in your home.

Next time you will come here I hope you will be able to come along with me in Abruzzo: I am sure you will enjoy to visit this old, "non-turistic" country. My best regards.

Sincerely yours.

A handwritten signature in dark ink, appearing to read 'F. Scuderi'. The signature is written in a cursive, somewhat stylized script with a large initial 'F' and a long, sweeping underline.
