Mr. Victor J. Danilov
Industrial Research
Beverly Shores, Indiana

Dear Mr. Danilov:

I deeply appreciated the invitation contained in your letter of July 13 to become a member of the Editorial Advisory Board for **INDUSTRIAL RESEARCH**. I honestly believe that I could not be of much service and the pressure of many other activities prevents me from taking on any more responsibilities, however small they may be.

With best wishes.

Sincerely yours,

Albert B. Sabin, M. D.
