Medical Field Service School
Brooke Army Medical Center
Fort Sam Houston, Texas

Dear General Sams:

This letter will introduce to you Lt. Lawrence J. Wilchins of Cincinnati. I know that he will regard this opportunity of meeting you personally as a great privilege. He has had four years of good surgical training and I hope very much that the Army will avail itself of his special skills. Although the MFSS probably has nothing to do with assignment of medical officers, I would greatly appreciate any courtesy you may extend to Lt. Wilchins.

With kindest personal regards and all good wishes for the New Year,

Sincerely yours,

Albert B. Sabin, M. D.
