Dear Dr. Sheps:

I regret the unavoidable delay in replying to your letter of February 16. I am enclosing a copy of the paper that was presented at the International Conference on Poliomyelitis last summer. It is expected that the Proceedings will be published shortly, but I do not know as yet whether or not reprints will be available.

I would appreciate it very much if after you have finished with this copy of the paper you would return it to me at your convenience.

Sincerely yours,

Albert B. Sabin, M. D.
