PARKVILLE, N.2.

Put name on reprint list 23 August, 1950.

Dear Dr. Sabin,

in the course of my work I find it necessary — more often than is convenient without a medical library at hand — to consult your publications. I would like to ask you therefore to send me any reprints which you have available. Further, I would be grateful if you would put me on your mailing list for future publications.

I am enclosing a set of my papers which have been published in English. If you think they would be of any interest to you, I should be glad to send any further papers as they appear.

Yours sincerely,  
Fazekas de Groth
