Dear Ruth,

What a very pleasant surprise it was to get your card with its very kind words. It brought back memories of 42 years ago when you were the beautiful nurse at the hospital of the Trenton State prison, who must have been the reason for my success in getting volunteers for the work that we were doing. Seriously, I was very pleased to note that you now live in Tuscon and cannot help wondering what the present status is of your husband and the five children that you have raised. Please write me something about yourself when you have time.

I had occasion to talk about you several months ago when Mr. Walter Mahony, Jr., a retired Editor of the Readers Digest visited me in connection with a book he is writing about [REDACTED], one of our volunteers at the Trenton prison hospital. Do you remember [REDACTED]? If so, I think that Mr. Mahony (The Hook Road, Bedford, New York 10506) would be very glad to receive any reminiscences that you may be able to send him.

Best wishes to you and yours,

Sincerely,

Albert B. Sabin, M.D.
