Dear Albert:

I was in attendance at the dinner in New York when the announcement was made of your incredibly generous gift in the sum of a half million dollars.

In the twenty-eight years that I have been associated with Weizmann, I found this to be the most impressive gift that I have heard made to the Institute.

The sum is, of course, impressive, but the historic figure that you represent identified with Weizmann in so concrete a manner - and it will redound to the Institute and to Israel for many, many years.

Keep on doing nice things in good health for many years!

All good wishes.

Sincerely,

William Z. Novick
