

Mrs. Ochoa called from PAHO in Washington regarding your meeting with Dr. Acuna.

202 331 4229

Said that the meeting would be April 4-6 and they wanted to know if you wanted them to send tickets or be reimbursed later.

Since you had already told me you would pay for the tickets to Washington, I told her that you would get in touch with them later regarding a reimbursement, and that I would get the tickets here in Charleston.
