

IL GIORNALE D'ITALIA

ROMA

Roma, 5/11/65

Dear Sir,

I am preparing for my newspaper, the most important evening italian newspaper, a very accurate reportage about mondial researches on cancer and vi-ruses.

I know very well that you have done many extremely important experiments in this field.

Unfurtunely I can't come to the States to cover the reportage and I would like to ask you to answer by mail (please as soon as possible) to some question.

with many thanks and regards

yours

Gaspere Barbiellini Amidei

(Gaspere Barbiellini Amidei)

P.S. - Please reply as soon as possible by air mail to Gaspere BARBIPELLINI AMIDEI - "IL GIORNALE D'ITALIA" - Piazza Indipendenza - Roma.

QUESTIONS

- 1) In which specific direction are you spending your present researches?
- 2) Let me know (if it's possible) if your last experiments and researches have lead you to any new important result.
- 3) What do you think about the perspectives of a definite victory against cancer?
And do you believe that a total victory in this field will be possible?
- 4) How many years or decades do you forecast will be necessary to discover the way to beat cancer?
- 5) Do you forecast that man will get ~~to~~ earlier ^{to} moon ar the first victory against cancer?
