Dear Albert:

This is in confirmation of our telephone call, completed or anticipated, regarding the Horstmann and Paul manuscript on poliovirus vaccine.

When John talked with me about this a couple of weeks ago, he said that you had seen the data or possibly one of the early drafts of the manuscript. Since we hope to process this as rapidly as possible, I would appreciate your calling me by phone collect after you have had an opportunity to review it.

Sincerely yours,

  
John H. Talbott, M.D.
