Dear Dr. Sabin:

I have just returned from a lengthy trip around the country and this is the first opportunity I have to express to you my sincere appreciation for your generous participation in our pre-campaign meeting in Chicago. I am sure you know from the warmth of the reception you were accorded how deeply interested our people were in what you had to say and in the stimulating manner in which you said it.

Sincerely yours,

Melvin A. Glasser  
Executive Vice President
