Dr. L. Bernard
Assistant Director-General
World Health Organization
1211 Geneva 27
SWITZERLAND

Dear Dr. Bernard,

Your very kind letter and personal handwritten note of 6 March, 1974 reached me in my new office (please note the change in address) about a week ago. I was very flattered to think that you remembered our encounter in New Delhi just about 11 years ago. I was also delighted to note that you are now Assistant Director-General of World Health Organization.

Let me say that I accept with pleasure your invitation for an extension of my membership on the WHO Expert Advisory Panel on Virus Diseases for a further period of two years.

It will be a pleasure for me to look you up the next time I come to Geneva.

With best wishes and kindest personal regards,

Sincerely,
