Dear Carlo and Sandra,

We were delighted to learn from Dr. Massone that it will be possible for us to spend a few days with you when we come to Italy on April 2. We are arriving in Milano on Thursday, April 2 at 10:00 a.m. on Alitalia flight 601. I hope very much that it will not be inconvenient for you to have ~~your~~ car meet us at the airport. If for any reason that should not be possible, I would appreciate it very much if you could telephone Dr. Massone at SCLAVO (0577-50 505) to ask him if SCLAVO could have their car meet us at the airport.

Heloisa and I look forward with great pleasure to seeing you very soon.

Con amore
Albert
